I am Amy Binsfeld and I was born and raised in Sheboygan County. I grew up with my family in Howards Grove and attended St. Paul's Evangelical Lutheran Church, Sheboygan Falls, now Howards Grove. The church and school relocated from the corner from Hwy 32 and Playbird Road to Millersville Ave in the village. I graduated from Manitowoc Lutheran High School in 1995.

Locally I worked at Bill's Piggly Wiggly during my school years and later started working full time in our family business, Bitter Neumann. I have worked in the furniture department at Bitter Neumann since I was 19 years old. I have worked with many great people over the years from customers to co-workers and always enjoy meeting more new faces and still talking to known faces.

My, husband Nick and I were married at St. Paul's Lutheran in July 2002. We started our life together in Sheboygan Falls, where I had lived prior to marriage. After a few months we purchased our first home together and moved to Plymouth. It was such a great community to be a part of. We did have our first child, Alyssa, while we lived there. In time we decided that we wanted to build a home and did find a lot in the Town of Mosel, which was closer to our home church, and my family. In February we made the move and in May we welcomed our son, Logan.

Nick and I both pride ourselves on being very hard workers along with being Christian parents. Nick continues to work for the Department of Public Works for the City of Sheboygan, where he has been for many years. With his support in 2012 I did return to school and received my degree as a Paralegal. I did graduate with Presidential Honors and a member of the Phi Theta Kappa Honor Society. I am blessed for the support he, and my entire family, provided during my return to school. After working 24 years in a local family business serving the community I feel it is time to serve the community that I grew up in and love in other ways. The idea to help represent those that I have worked with, talked to, grown up with, or just gotten to know more recently is a true dream. Often we feel no one is listening, and I want people to know that I will listen and take those thoughts to Madison to see what can be done for the people here.

I feel strongly that our 27th District continues to build the family values that have been so strong in our communities, encourage Christian values in the homes, provide solid education to our youth by providing school choice for those who seek it, and make sure that we are all able to make our own health care decisions and not fall into the one size fits all approach to medicine. We need to make sure that just as we live on budgets that make sense, so does the government in Madison. My motto has become Faith, Family, & the Future! If you agree with this and would like to help me carry out my work please send a check to: **Amy Binsfeld for State Assembly**

Mail to: W1648 Santana Dr. , Sheboygan, WI 53083

Your kind contributions assist in sending out the message by mailers, yard signs, and purchase the supplies to make it all happen. Thank you for the consideration to assist!
