

Welcome to the Campaign Team!

Thank you for answering the call for action to save our great nation. We can not win elections without volunteers! You do make a difference. Let's build a grassroots army! We have over 100 races to win coming up in the spring election.

Campaign Vision:

Restore America to its core values of patriotism!

Restore American exceptionalism, Capitalism, 2nd amendment rights, rights of the unborn, economic freedom and freedom of speech. Our vision is to have a well-vetted Republican to run and win in every single race. A well-vetted candidate is one that holds firmly to the values of the Republican philosophy, one who speaks the truth, creates solution and gives direction on issues important to voters. Knowing that the people stand behind them, they must not cave to pressure from the media and left.

Campaign Mission:

Build a grassroots army of 200-300 volunteers (more if possible!). We need to have enough volunteers for each candidate to be assigned 2-3 of their own volunteers. Many of the races will overlap and all Republican candidates will be promoted. We will run an issues oriented campaign which can differ with each candidate depending of their position.

Volunteers will be making phone calls, lit drops and door to door to win these races. At first it may be hard, but after a few calls and doors, you get the hang of it and it is actually very exciting and fun when you connect with a voter and discuss issues of the day. You will meet many like minded people! You also have the opportunity to influence and/or change a persons opinion on the Republican Party.

Why go Door to Door?

- Most effective way to connect with voters
- Direct contact with voters is the key to to victory
- Voter contact is the best way to persuade undecided voters
- Increases turnout 6%
- Make a personal connection
- Identifies supporters
- Gets the vote out

Grassroots voter contact is what will make the difference between victory and defeat!

myvote.wi.gov: register people to vote, find where to vote, request absentee ballot
