

Vote Your Values

Following are some ***key differences between Democrats and Republicans***:

1. Republicans believe every child in the womb has a right to be born. Democrats do not.
2. Republicans believe we should use our oil to provide energy and not depend on our enemies for oil. Democrats do not.
3. Republicans believe parents have the authority to determine the content and values taught in public schools. Democrats do not.
4. Republicans believe no person should be required to take the jab to keep a job. Democrats do not.
5. Republicans believe that serious criminals should be locked up until their trials or post bail. Democrats do not.
6. Republicans believe in a color-blind society. Democrats do not.
